5. **CONSTRUCTION AND SETTLEMENT:** Seller shall contract and/or install all improvements in conformance with the drawings, specifications, options, and plans subject to the options and/or changes selected and paid for by Buyer, which are attached hereto and incorporated herein (collectively, the "Project").

Seller  shall begin OR  began construction of Project on or about \_\_\_\_\_. Project shall be substantially completed on or about \_\_\_\_\_ and Seller shall promptly Deliver Notice to Buyer that Project is substantially completed. Project shall be construed to have been substantially completed on the Date Property has passed final governmental inspection, if required, a certificate of occupancy and/or final inspection certificate has been issued, if required, and the Property is fit for habitation and functional for ordinary dwelling use. "Completion Date" is the Date on which Seller Delivers Notice to Buyer that Project is substantially completed.

- A. **Settlement:** Seller and Buyer will perform in accordance with the terms of this Contract ("Settlement") on a mutually agreed date no later than fifteen (15) Days after Completion Date ("Settlement Date"). Buyer selects \_\_\_\_\_ ("Settlement Agent") to conduct the Settlement. Buyer agrees to contact the Settlement Agent within 10 Days after the Date of Ratification to place a title order.
- B. Buyer acknowledges that delays caused by events beyond Seller's control such as work stoppages, weather, unavailability of labor and materials, acts of God, delays of municipal approvals and permits, and other unanticipated events are not included in calculating above time estimates. Such delays do not constitute Seller Default and Seller shall not be liable to Buyer for any damages whatsoever by reason of such delays.
- C. If at Seller's sole discretion, items such as landscaping, exterior concrete, driveways, final grading, sod or seeding, and exterior painting cannot be completed by reason of weather conditions, Seller shall still have the right to Deliver Notice of Completion Date. Seller agrees that such uncompleted items shall be completed in the reasonable course of business as weather conditions permit. Buyer agrees to cooperate and shall give Seller and Seller's agents and contractors' adequate access to Property to enable them to complete such work. Buyer acknowledges that Seller is not responsible for lawn care and Seller's obligation to complete seeding or sodding shall be deemed satisfied once the installation of those materials has been completed.
- D. Notwithstanding the foregoing, if for any reason the Project is not substantially completed within 365 Days from the Date of Ratification, the Buyer in Buyer's sole discretion, may Deliver Notice at any time thereafter that Contract is Void. If Seller, in Seller's sole discretion, determines Project cannot be substantially completed within 365 Days from the Date of Ratification, due to matters beyond Seller's control as described in this paragraph, Seller shall have the right to declare this Contract null and void.

**SELLER RIGHT TO MAKE CHANGES:** Seller reserves the right to make such changes or substitutions in construction, materials and equipment, and to revise any plans, as Seller deems necessary due to the unavailability of certain materials or equipment, peculiar engineering, construction and/or permit inspection requirements, or topography of the premises. Any changes and/or substitutions made shall be in substantial conformance with the Project. Seller shall obtain Buyer's written approval for substitution of design finishes or materials (such as hardware, countertops, flooring, doors, specialized siding, and all windows) which are substantially similar in quality, duration, warranty, and appearance to any unavailable design finishes or materials specified in the plans for the Project, which approval shall not be unreasonably withheld, conditioned, or delayed by Buyer.

The location of driveways, walkways and patios, grading, planting and landscaping, including the disposition of existing trees and the control of waterflow, the inclusion or exclusion of retaining walls, septic fields, and other site details are subject to change at the absolute discretion of the Seller depending upon site or job conditions encountered and/or permit requirements.

7. **STANDARD SELECTIONS AND OPTION EXTRAS:** Buyer may select options and/or upgrades for the Project, provided, however, that:
- A. Option selections and allowances must be submitted in writing and delivered within 2 Days from the Date Seller provides Notice to Buyer to select said options. Seller shall give Buyer Notice of costs of Buyer's selected options/upgrades as soon as practicable. Buyer shall have 5 Business Days after receipt of cost information to advise Seller in writing as to options desired. Buyer and Seller shall negotiate a mutually acceptable written addendum detailing the choice and cost of the options/upgrades ("Options Addendum"). Seller and Buyer may mutually agree to extend any timeframe needed to ratify the Options Addendum, however in the event Buyer does not make selections within the required timeframe, Seller reserves the right to complete Project using Seller's standard selections.
  - B. Buyer shall Deliver to Escrow Agent  \$ \_\_\_\_\_ OR  **One Hundred** percent (100 %) of the cost of any agreed upon options/upgrades by certified funds within 3 Business Days of Ratification of any Options Addendum. This payment and any future payments for options ("Options Payments") are nonrefundable. The balance of such costs shall be due and payable at Settlement. The Escrow Agent shall be authorized, when requested to do so in writing by Seller, to release any Options Payments to Seller. The parties may mutually agree to increase Sales Price to incorporate the actual cost of any Options Addendum. In such case, the monies advanced to Seller prior to Settlement shall be credited to Buyer at Settlement.
  - C. Buyer is not permitted to select any standard option if Project has proceeded beyond the stage where the option is available in the normal course of Seller's standard construction practices.
  - D. Once Buyer has selected options and/or made decorating and color selections, no further alterations, changes, or additions shall be made in the Project, unless approved by Seller in writing and a nonrefundable change order fee of \$ 20 % is paid by Buyer.
8. **WARRANTIES:** Seller warrants the new home against defects in workmanship and materials, with coverage in accordance with local laws. Except as otherwise provided by law, or as agreed to herein, Seller makes no warranty as to items not of Seller's manufacture, including, but not limited to any water heater, refrigerator, range, dishwasher and other appliances, equipment or "consumer products", as defined by the Federal Trade Commission; Seller agrees to provide Buyer the manufacturers' warranties, if any, without recourse.

**Washington, DC (only)**

District of Columbia law does not require builders to provide any express written warranty. If Seller is providing a New Home Warranty, a sample of said Warranty is attached, and the original of same shall be delivered to Buyer at settlement.

- A. **Notice to Buyer:** Montgomery County law does not require a builder to furnish any bond, insurance, or other financial security to guarantee the builder's performance of its warranty obligations. If builder promises any other bond, insurance, or security to guarantee the performance of its warranty obligations, that bond insurance or security must be listed here:

BUYER ACKNOWLEDGES THAT BUYER HAS READ AND UNDERSTANDS THE IMMEDIATELY PRECEDING NOTICE.

BUYER	Date	BUYER	Date
-------	------	-------	------

- B. Required Warranty:** A builder is required to give a written warranty that provides coverage, at least, consistent with the parameters established by Section 31C of the Montgomery County Code. A sample of said warranty, the provisions of which are made a part of this Contract, is attached hereto, and the original of same shall be delivered to Buyer at Settlement.
- C. Exempt Localities:** The following localities have opted out of the Section 31C County requirement and, as such, follow the State Regulations (Real Property Article §10-601 - 610, MD Code Annotated): Chevy Chase Village, Town of Chevy Chase, Town of Garrett Park, Town of Poolesville, and the Town of Washington Grove. These state laws require a builder/seller to disclose to Buyer whether or not the builder participates in a qualified New Home Warranty Security Plan.

**Choose One of the Following as Applicable for Exempt Localities:**

- 1) Builder participates in a New Home Warranty Security Plan and will provide Buyer with a New Home Warranty which meets the requirements of Maryland law (GCAAR Form #1603 is attached hereto and made a part hereof).
- 2) Builder participates in a New Home Warranty Security Plan and will NOT provide Buyer with a New Home Warranty but has offered to the Buyer, at the Buyer's option and expense, the opportunity to obtain a New Home Warranty (GCAAR Form #1603A is attached hereto and made a part hereof).
- 3) Builder does NOT participate in a New Home Warranty Security Plan. (GCAAR Form #1604 is attached hereto and made a part hereof).

**9. Should Buyer enter Property at any time prior to Settlement Date, Buyer acknowledges that Buyer is doing so at Buyer's own risk and agrees to indemnify and hold Seller harmless from and against any and all claims for damage(s) to Buyer's person or property and to the person or property of Buyer's guests or invitees. Seller will provide Broker, inspectors representing Buyer, and representatives of lending institutions for appraisal purposes reasonable access to Property to comply with Contract.

**10. INSPECTIONS:** Montgomery County law guarantees Buyer the right to inspect Property not less than 24 hours, nor more than 72 hours before Settlement, unless the parties agree otherwise.

**A. Progress Inspections:** After each benchmark, defined below, Buyer and/or Buyer's representative shall have the right to conduct progress inspections of the Property. Seller shall Deliver Notice to Buyer of each benchmark no less than 5 Days in advance of completion of said benchmark. **(CHECK ALL THAT APPLY):**

**B. Final Inspection:** Buyer and/or Buyer's representative shall have the right to make a final inspection within 3 Days prior to Settlement. Seller and/or Seller's authorized representative (collectively "Seller") may attend final inspection. Buyer and Seller shall make a written list of items not yet completed or not in compliance with construction standards per the quality and level of workmanship as is generally acceptable in the Washington DC Metropolitan area (the "Punchlist"). Seller shall execute the Punchlist, which shall serve as Buyer's assurance that Seller will complete all noted items as soon as may be reasonably practicable before Settlement.

In the event that any such items are not completed prior to Settlement, Seller agrees to complete all remaining items on Punchlist in a reasonable timeframe following Settlement and as promptly as weather and workload permit and Buyer agrees to provide Seller access to Property to enable this work. Seller shall not be required to escrow any funds at the time of Settlement for Punchlist items. The provisions of this Paragraph shall survive Settlement.

11. **PROPERTY TAX CREDITS:** Real property tax credits may be available to Buyer for the cost of installing certain features in the Property. ## Understanding Whom Real Estate Agents Represent

### THIS NOTICE IS NOT A CONTRACT

*In this form "seller" includes "landlord"; "buyer" includes "tenant"; and "purchase" or "sale" includes "lease"*

#### Agents Who Represent the Seller

**Seller's Agent:** A seller's agent works for the real estate company that lists and markets the property for the sellers and exclusively represents the sellers. A Seller's agent may assist the buyer in purchasing the property, but his or her duty of loyalty is only to the sellers.

**Subagent:** A Subagent means a licensed real estate broker, licensed associate real estate broker, or licensed real estate salesperson who is not affiliated with or acting as the listing real estate broker for a property, is not a buyer's agent, has an agency relationship with the seller, and assists a prospective buyer in the acquisition of real estate for sale in a non-agency capacity. The subagent works for a real estate company different from the company for which the seller's agent works. The subagent can assist a buyer in purchasing a property, but his or her duty of loyalty is only to the seller.

**If you are viewing a property and you have not signed a Brokerage Agreement, that agent represents the seller**

#### Agents Who Represent the Buyer

**Buyer's Agent:** A buyer may enter into a written contract with a real estate broker which provides that the broker will represent the buyer in locating a property to buy. The agent from that broker's company is then known as the buyer's agent. The buyer's agent assists the buyer in evaluating properties and preparing offers and developing negotiation strategies and works in the best interest of the buyer. The agent's fee is paid according to the written agreement between the broker and the buyer. If you as a buyer wish to have an agent represent you, you must enter into a written buyer agency agreement.

#### Dual Agents

The possibility of **dual agency** arises when the buyer's agent and the seller's agent both work for the same real estate company, and the buyer is interested in property listed by that company. The real estate broker or the broker's designee, is called the "dual agent." Dual agents do not act exclusively in the interests of either the seller or buyer, and therefore cannot give undivided loyalty to either party. There may be a conflict of interest because the interests of the seller and buyer may be different or adverse.

**If both seller and buyer agree to dual agency** by signing a Consent For Dual Agency form, the "dual agent" (the broker or the broker's designee) shall assign one agent to represent the seller (the seller's "intra-company agent") and another agent to represent the buyer (the buyer's "intra-company agent"). Intra-company agents are required to provide the same services to their clients that agents provide in transactions not involving dual agency, including advising their clients as to price and negotiation strategies.

If either party does not agree to dual agency, the real estate company must withdraw the brokerage agreement for that particular property with either the buyer or seller, or both. If the seller's agreement is terminated, the seller must then either represent him or herself or arrange to be represented by an agent from another real estate broker/company. If the brokerage agreement is terminated, the buyer may choose to enter into a written buyer brokerage agreement with a different broker/company. Alternatively, the buyer may choose not to be represented but simply to receive assistance from the seller's agent, from another agent in that company, or from a subagent from another company.

No matter what type of agent you choose to work with, you have the following rights and responsibilities in selling or buying property:

>Real estate agents are obligated by law to treat all parties to a real estate transaction honestly and fairly. They must exercise reasonable care and diligence and maintain the confidentiality of clients. They must not discriminate in the offering of properties; they must promptly present each written offer or counteroffer to the other party; and they must answer questions truthfully.

>Real estate agents must disclose all material facts that they know or should know relating to a property. An agent's duty to maintain confidentiality does not apply to the disclosure of material facts about a property.

>All agreements with real estate brokers and agents must be in writing and explain the duties and obligations of both the broker and the agent. The agreement must explain how the broker and agent will be paid and any fee-sharing agreements with other brokers.

>You have the responsibility to protect your own interests. **You should carefully read all agreements** to make sure they accurately reflect your understanding. A real estate licensee is qualified to advise you on real estate matters only. If you need legal or tax advice, it is your responsibility to consult a licensed attorney or accountant.

Any complaints about a real estate licensee may be filed with the Real Estate Commission at 500 North Calvert Street, Baltimore, MD 21202. (410) 230-6205

## Consent for Dual Agency

*(In this form, the word "seller" includes "landlord"; "buyer" includes "tenant"; and "purchase" or "sale" includes "lease")*

### When Dual Agency May Occur

The possibility of Dual Agency arises when:

- 1) The buyer is interested in a property listed by a real estate broker; and
- 2) The seller's agent and the buyer's agent are affiliated with the same real estate broker.

### Important Considerations Before Making a Decision About Dual Agency

A broker or broker's designee, acting as a dual agent does not exclusively represent either the seller or buyer; there may be a conflict of interest because the interests of the seller and buyer may be different or adverse. As a dual agent, the real estate broker does not owe undivided loyalty to either the seller or buyer.

Before the buyer and seller can proceed to be represented by a broker acting as a dual agent, they must both sign Consent for Dual Agency. If the buyer has previously signed Consent for Dual Agency, the buyer must **affirm** the buyer's consent for the purchase of a particular property before an offer to purchase is presented to the seller. If the seller has previously signed Consent for Dual Agency, the seller must **affirm** the seller's consent for the sale of the property to a particular buyer before accepting an offer to purchase the property. The **affirmation** is contained on Page 2 of this form.

### Your Choices Concerning Dual Agency

In a possible dual agency situation, the buyer and seller have the following options:

1. **Consent in writing to dual agency.** If all parties consent in writing, the real estate broker or the broker's designee (the "dual agent") shall assign one real estate agent affiliated with the broker to represent the seller (the seller's "intra-company agent") and another agent affiliated with the broker to represent the buyer (the buyer's "intra-company agent"). Intra-company agents are required to provide the same services to their clients that agents provide in transactions not involving dual agency, including advising their clients as to price and negotiation strategy.
2. **Refuse to consent to dual agency.** If either party refuses to consent in writing to dual agency, the real estate broker must terminate the brokerage relationship for that particular property with the buyer, the seller, or both. If the seller terminates the brokerage agreement, the seller must then either represent him or herself or arrange to be represented by another real estate company. If the buyer terminates the brokerage agreement, the buyer may choose not to be represented but simply to receive assistance from the seller's agent, from another agent in that company, or from a subagent from another company. Alternatively, the buyer may choose to enter into a written buyer agency agreement with a different broker/company.

### Duties of a Dual Agent and Intra-Company Agent

Like other agents, unless the client gives consent to disclose the information, dual agents and intra-company agents must keep confidential information about a client's bargaining position or motivations. For example, without written consent of the client, a dual agent or intra-company agent may not disclose to the other party, or the other party's agent:

- 1) Anything the client asks to be kept confidential; \*
- 2) That the seller would accept a lower price or other terms;
- 3) That the buyer would accept a higher price or other terms;
- 4) The reasons why a party wants to sell or buy, or that a party needs to sell or buy quickly; or
- 5) Anything that relates to the negotiating strategy of a party.

**\* Dual agents and intra-company agents must disclose material facts about a property to all parties.**

### How Dual Agents Are Paid

Only the broker receives compensation on the sale of a property listed by that broker.

If a financial bonus is offered to an agent who sells property that is listed with his/her broker, this fact must be disclosed in writing to both the buyer and seller.

### Consent for Dual Agency

I have read the above information, and I understand the terms of the dual agency. I understand that I do not have to consent to a dual agency and that if I **refuse** to consent, there will not be a dual agency; and that I may withdraw the consent at any time upon notice to the dual agent. I hereby **consent** to have

15	Assume FY22 tax rates, FY22 amounts for other charges, and no credits.	
16		
17	THE FY2024 BILL FOR TAXES AND NON-TAX CHARGES IS ESTIMATED AS FOLLOWS:	
18	FY2024 phase-in value if available, otherwise use the FY2023 PIV, from SDAT	1,950,000
19	<b>If you use the FY2023 PIV, you must update this calculation in January 2024, as soon as SDAT</b>	
20	<b>specifies the FY2024 PIV.</b>	
21		
22	FY2023 tax rates, from County tax bill:	
23	State property tax rate	0.112
24	County property tax rate	1.039

40	<b>and probably will.</b>
